

Model: CLASSIC 1L CHEVRON BROWN

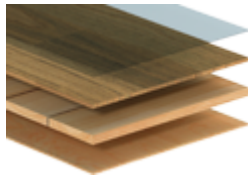

Codes: 100286554

Group: G-257

Format: 13X59,5X1,4

### COMPOSITION

	Size	Material	Type of material
Layer 1	0.060-0.070	Varnish	APRESTO MATTE
Layer 2	2.5	Hardwood Layer	Madera de Roble
Layer 3	11.5	Intermediate Layer	PINE

### TOLERANCES

Curvature	0.1% of length.	
Difference in height among items	0.2	
Squareness of the item	0.2% of width.	

### LABORATORY TESTS

Bulk density	min 500kg/m <sup>3</sup>	UNE-EN 323:1994*
Flammability	Dfl-S1	UNE EN 13501-1:2007*
Formaldehyde emissions	0.024 mg/m <sup>3</sup>	EN - 717/1:2006*
Heat resistance	0.103 M <sup>2</sup> *K/W	UNE-EN 12667:2002*
Moisture content	7% +/-2%	UNE-EN 13183-1 / AC:2004*
Thermal conductivity	0.14 W/M**K	UNE-EN 12667:2002*

## FEATURES

-  This installation system consists in assembling the boards with slots and cuts on their edges by applying a slight pressure on the boards. The boards are then bonded with white glue. Tools are needed for the installation.
-  Applying a color oil or varnish on the wood surface in order to get different color ranges.
-  L'ANTIC COLONIAL's varnishing, in two finishes, APRESTO (gloss) and APRESTO MATE (matte), provides a unique surface quality that satisfies the most demanding requirements. Advantages: It achieves the highest cleanliness because, since the pores are sealed, dirt and dust remain on the surface and can be easily cleaned.
-  Is suitable for installing on water radiant heating
-  Material with many knots on its surface that can have different sizes depending on the type of wood. These, along with any cracks that may appear, are covered with putty.
-  Made with oak wood.
-  Material from a European country.
-  Structure formed by an upper layer that shows the noble aspect of the material, an intermediate layer of wood of different typology, depending on the collection, or HDF board that compensates the tensions between the different parts and a lower plywood that provides dimensional stability.
-  Slight smoothing of the wood using a brush to achieve a surface with a slight relief.
-  Beveled cut on all 4 edges of the board for emphasizing size
-  Quality product made with selected raw materials, guaranteeing its full residential use for 30 years as provided by L' Antic Colonial.
-  Format where only one board has been used to finish the entire base surface
-  It is necessary to apply adhesive for installing it.
-  There are consistent color changes between pieces.
-  Independent (non-governmental) certificate that guarantees consumers that forest products come from rationally exploited forests
-  2.5 mm

## PACKING

Base unit	PIECES
Boxes	0.61 M2/BOX
Gross weight	11.082 KG/M2
Net weight	10.2295 KG/M2
Pallets	25.62 M2/PAL
Sale unit	M2
Square meters	1 M2
